- Trust and connection in a hybrid world
- The future of work and why humanity matters
- How to turn attrition into attraction

## CORE IDEAS

- Trust and human connection are the foundation for well-being, performance, innovation, and retention.
- Each of us, regardless of role or position has influence and responsibility in positively contributing to the cultures we're a part of.
- Our influence relies not only on what we're doing, but on who we're being.

"David was AWESOME! He was a definite fit for our team—well spoken, smart and knew when to flex.

We really, really enjoyed him."

- Dignity Health Medical Foundation

"Fascinating, engaging, the perfect combo of narrative and instructional. The best corporate speaker I've ever seen."

- Omnicom
